

Curriculum Vitae

Name: Raymond Mark Stein

Birthdate: April 10, 1956

Office Address: 40 Prince Arthur Avenue
Toronto, ON M5R 1A9

Telephone: 416-921-2131

Fax: 416-920-9060

Email: Rstein@Bochner.com

Spouse: Nancy Viner

Children: Rebecca, Emma, Maxwell

Academic Background

1970-1975 Jarvis Collegiate Institute (J.C.I.), Toronto, grades 9 - 13

1975-1977 University of Pennsylvania, Wharton School, Philadelphia, Pennsylvania

1977 - 1978 McMaster University, Hamilton, B.A. (78)

1978 - 1982 University of Toronto, Medical School, M.D. (82)

1982- 1983 Mount Sinai Hospital, Flexible Internship, Toronto

1983 - 1986 Mayo Clinic, Ophthalmology Residency, Rochester, Minnesota

1986 - 1987 Wills Eye Hospital, Cornea Fellowship, Philadelphia, Pennsylvania

Academic & Clinical Appointments

1987 - Present	Staff Ophthalmologist	Scarborough General Hospital
1989 - Present	Staff Ophthalmologist	Mount Sinai Hospital, Toronto
1989 - 1992	Lecturer	University of Toronto Department of Ophthalmology
1992 - Present	Assistant Professor	University of Toronto Department of Ophthalmology
1993 - 1998	Staff Ophthalmologist	Central Hospital
1994 - 2000	Chief of Ophthalmology	Scarborough General Hospital
2000 – Present	Chief of Ophthalmology	Scarborough Hospital

Medical Licensing Examinations

- May 1982 Licensing of the Medical Council of Canada (LMCC)
- Apr 1983 National Board of Medical Examiners
- May 1983 Federation Licensing Examination (FLEX)

Specialty Examinations

- Oct 1987 Diplomat of the American Board of Ophthalmology (DABO)
- Nov 1987 Fellow of the Royal College of Surgeons (FRCSC)

Academic Achievements

- 1975 - 1977 Academic and athletic scholarship at University of Pennsylvania
- Dean's List with Distinction in first and second years at University of Pennsylvania
- Designated a Benjamin Franklin Scholar, an honor bestowed on the top 4% of students
- 1977 - 1978 Dean's List with Distinction at McMaster University
- Herbert Keith award for highest standing in third year economics
- 1978 - 1982 Medical school honors in physical diagnosis, pharmacology, ophthalmology, internal medicine, and psychiatry
- 1983 - 1986 Ophthalmic Knowledge Assessment Program (OKAP):
98th percentile (residency year 1)
97th percentile (residency year 2)
98th percentile (residency year 3)
- 1986 - 1987 American Board of Ophthalmology - Written Examination
99th percentile

Honors and Awards

- 1987 - 1988 Award for most outstanding article of the year published in the University of Toronto Medical Journal, titles "Lifesaving Ocular Signs".
- 1990- 1991 Award for outstanding teaching, Ophthalmology Residents Research Day, University of Toronto, Toronto, Ontario, April 1991.
- 1991 - 1992 Nominated for Atkinson award, outstanding undergraduate teaching, University of Toronto.
- 1993 - 1994 Award for outstanding undergraduate and post graduate teaching, Mount Sinai Hospital, University of Toronto.

- 1997 Honor award of American Academy of Ophthalmology
- 1997 Honor award of Contact Lens Association of Ophthalmologists
- 1998, '99, '00, '01, '02
Best paper of session, American Society of Cataract and Refractive Society
- 2001 Awarded membership into International Intraocular Club
- 2003 Best paper of session, International Society of Refractive Surgery

Athletic Achievements

- 1972 - 1974 Represented Canada in international tennis events
Ranked as the fourth best junior tennis player in Ontario and eighth best junior tennis player in Canada.
- 1974 - 1975 Graduated six months earlier from high school than most students and worked at John Newcombe's Tennis Ranch in Texas on the professional teaching staff.
- 1975 - 1977 Played on the intercollegiate tennis team at University of Pennsylvania in the Ivy League.

Conducted a series of tennis clinics along with slide-talk presentations for three consecutive summers in cities throughout Louisiana, Texas, Oklahoma, and New Mexico.
- 1977 - 1978 Ranked as the fourth best tennis player in Men's Open Tennis in Ontario
- 1981 - 1982 Played on the intercollegiate tennis team at the University of Toronto which won the Ontario Championship.

Organizational Activities

- CLAO Resident and Technician course, Las Vegas, Co-organizer, 1990, 1991, 1992, 1993, 1994.
- Canadian Anterior Segment Conference, Toronto, Co-organizer, 1991, 1992.
- Joint Commission on Allied Health Personnel in Ophthalmology, Resident and Technician Course, Co-organizer, 1991, 1992.
- Cornea and External Disease Conference, Chairman, Lake Louise, Alberta, February 1994.
- Cornea and External Disease Conference, Chairman, Sanibel, Florida, March 1995.
- Cornea and External Disease Conference, Chairman, Scottsdale, Arizona, March 1996.
- Cornea and External Disease Conference, Chairman, Sanibel, Florida, March 1997.
- Technological Advances, Master Club Meeting, Tucson, Arizona, March 1998.
- Chairman, National Master Club Meeting, San Antonio, Texas, March 2000.

Chairman, National Master Club Meeting, Tuscon, Arizona, March 2001.

Session Chair, Technological Advances, Master Club Meeting, Bal Harbor, Florida, March 2002

Session Chair, Refractive Surgery, National Master Club Meeting, Tuscon, Arizona, March 2003

Chairman, Ontario Master Club Meeting, Deerhurst Resort, Huntsville, Ontario, July 2003

Chairman, Ontario Maser Club Meeting, Blue Mountain Resort, Collingwood, Ontario July 2004

Committees & Societies

Ophthalmic Knowledge Assessment Program (OKAP), American Academy of Ophthalmology, Optics & Contact Lenses - 1991 - 1995

Eye Safety Committee of Canada, Canadian Ophthalmologic Society - 1989 - 1995

Ophthalmic Assistants Program, Centennial College - 1990 - Present.

Joint Commission on Allied Health & Personnel in Ophthalmology - 1989 - 1992.

Contact Lens Association of Ophthalmologists, Board of Directors - 1994 - 1998.

Faculty of Optics, Refraction and Contact Lenses, Basic and Clinical Science Course, American Academy of Ophthalmology - 1995 - 1997

Laser Safety Task Force, American Society of Cataract and Refractive Surgery 1996 – 1999

President-elect, Canadian Society for Cataract & Refractive Surgery 2000 – 2001

President Canadian Society for Cataract & Refractive Surgery 2002 - 2004

Editor-in-Chief

Clinical Signs in Ophthalmology - 1998 to 2000

Ophthalmic Case Consultation Journal - 1998 to present

Membership Organizations

Canadian Ophthalmological Society

National Sports Vision Society

Contact Lens Association of Ophthalmologists

Wills Eye Hospital Alumni Association

American Academy of Ophthalmology

Fellow of the Royal College of Surgeons

Mayo Clinic Alumni Association

University of Toronto Alumni

Ontario Medical Association

International Society of Refractive Surgery

Canadian Society of Cataract & Refractive

International Implant Club

Journal Reviewer

Contact Lens Association of Ophthalmologists (CLAO) Journal - 1989 - Present

Canadian Journal of Ophthalmology - 1990 – Present

Ophthalmic Practice – 1995 – 2003

Review of Refractive Surgery – 2001 - Present

Clinical Medical & Surgical Ophthalmology – 2003 - Present

Medical Students - Teaching/Lectures

Third Year Medical School, Clinical Skills, Mount Sinai Hospital, Department of Ophthalmology - 1989, 1990, 1991, 1992, 1993, 1994, 1995, 1996, 1997, 1998, 1999, 2000, 2001, 2002, 2003

Third Year Medical School, Ocular Trauma Lecture, February 1992.

Third Year Medical School, Lecture Series in Ophthalmology: 1/ Optical Correction of Ametropia; 2/ Ocular Emergencies, 1992, 1993, 1994.

Ophthalmology Residents - Teaching/Lectures

Resident weekly seminars, Cornea & External diseases, Mount Sinai Hospital, Department of Ophthalmology - 1989 - 1999

Senior Residents Board Review, Cornea & External Diseases - 1989, 1990, 1991, 1992, 1994

Adenovirus, Chlamydia & other Infectious Diseases, University of Toronto, Third & Second Year Lecture, Oct 1990.

Immunologic Diseases of Lids & Conjunctiva, University of Toronto, Second Year Lecture, Oct 1991; February 1994.

Overview of Computerized Videokeratography, University of Toronto, May 1998.

Anatomy of the Anterior Segment, Ophthalmology Basic Science Course, First Year Residents July 1991, July 1992, July 1993, July 1994, July 1995, July 1996, July 1997, June 1998, June 1999, June 2000, June 2001.

Refractive Surgery: Indications, Techniques, and Complications, Ophthalmology Residents, October 26, 2001.

Papers Read at Scientific Meetings

Stein R, Bourne W: Chondroitin Sulfate for Corneal Preservation; Minnesota Academy of Ophthalmology, Minneapolis, Minnesota, November 1984 (Published)

Stein R, Bourne W: Comparison of Chondroitin Sulfate to McCarey-Kaufman Medium for Corneal Preservation. American Research and Vision Organization, Sarasota, Florida, May 1985 (Published)

Stein R: Corneal Transplantation - Past, Present and Future. Ophthalmic Technicians Program, Vancouver, British Columbia, June 1986

Stein R, Laibson P: K-Sol for Corneal Preservation. Wills Eye Hospital Annual Meeting, Philadelphia, Pennsylvania, April 1987. (Published)

Stein R: 1/ Corneal Transplantation - Past, Present and Future. Ophthalmic Technicians Program. 2/ New Developments in Corneal Transplantation. International Contact Lens and Anterior Segment Conference, Toronto, Ontario, May 1987

Stein R, Cohen E, Laibson P: Saturn Contact Lens in Keratoconus. Contact Lens Association of Ophthalmologists, Las Vegas, Nevada, January 1988

Stein R: Corneal Complications of Contact Lenses. Ophthalmic Technicians Program, Las Vegas, Nevada January 1988.

Stein R: Corneal Transplantation and Disorders, ORBIS mission, Malta, May 1988.

Stein R: Ocular Emergencies. Emergency physicians monthly rounds, Scarborough General Hospital, Scarborough, Ontario, May 1988.

Stein R: Dynamic Visual Acuity - Review. Eye Safety Committee, Canadian Ophthalmologic Society, Toronto, Ontario, May 1988. (Published)

Stein R: Corneal Transplantation and Disorders. Canadian Ophthalmological Society, Ophthalmic Assistants Program, St John, New Brunswick, June 1988.

Stein R: Visual Changes and the Elderly, Geriatric Symposium, Scarborough General Hospital, Scarborough, Ontario, September 1988.

Stein R: Visual Approach to Winning Tennis. National Sports Vision Conference, Philadelphia, Pennsylvania, Oct 1988. (Published)

Stein R: Corneal Complications of Contact Lenses. Joint Commission on Allied Health and Personnel in ophthalmology, American Academy of Ophthalmology, Las Vegas, Nevada, Oct 1988.

Stein R: Corneal Complications of Contact Lenses. Contact Lens Association of Ophthalmologists, New Orleans, January 1989.

Stein R: 1/ Update on Corneal Dystrophies; 2/ Contact Lens Complications; 3/ Corneal Transplantation: past, present and future; 4/ Recognizing Corneal Disorders and Diseases. International Contact Lens and Anterior Segment Conference, Toronto, Ontario, May 1989.

Stein R: Contact Lens Complications. Joint Commission on Allied Health and Personnel in Ophthalmology at the American Academy of Ophthalmology, New Orleans, Louisiana, October 1989.

Stein R: Corneal Problems with Contact Lenses. Ontario Contact Lens Association Annual Meeting, Toronto, Ontario, November 1989.

Stein R: Corneal Transplantation. East-York Medical Secretaries Conference, Toronto, Ontario, November 1989.

Stein R: contact Lens Related Keratitis. International Cornea and External Disease Conference, University of Toronto, Toronto, Ontario, December 1989.

Stein R: Medical Complications of Contact Lenses. Technicians and Residents program, Contact Lens Association of Ophthalmologists, Las Vegas, Nevada, January 1990.

Stein R: Soft contact lenses for myopia. American Academy of Ophthalmology, Atlanta Georgia, October 1990.

Stein R: Corneal complications of contact lenses. Technician and resident course, American Academy of Ophthalmology, Atlanta, October 1990.

Stein R: Inflammatory Diseases of the Lids and Conjunctiva. Vision Institute, Toronto, Ontario, November 9, 1990.

Stein R: Contact lens problems. Technicians and Residents program, Contact Lens Association of Ophthalmologists, Las Vegas, Nevada, January 1991.

Stein R: Herpes Zoster Ophthalmicus. International Contact Lens and Anterior Segment Conference, Toronto, Ontario, April 1991.

Stein R: Silicone punctual plugs in dry eye patients that are contact lens intolerant. Canadian Ophthalmological Society, Ottawa, June 1991. (Abstracted)

Morrow G, Stein R: Computerized corneal topography in keratoconus patients and their families. Canadian Ophthalmological Society, Ottawa, June 1991.

Stein R: Annular Design of Bifocal Contact Lenses. American Academy of Ophthalmology, Anaheim, California, October 1991.

Morrow G, Stein R: Computerized Corneal Topography in Keratoconus Patients and Their Families. Castrovejo Cornea Society, Anaheim California, Oct 1991.

Stein R: Recognizing Corneal Disorders & Diseases. Resident and Technician Program, Contact Lens Association of Ophthalmologists, Las Vegas, Nevada, January 1992.

Stein R: 1/ Keratoconus: The Disease & Management; 2/ Phototherapeutic Keratectomy. International Contact Lens and Anterior Segment Conference, Toronto, Ontario, April 1992.

Wong D, Stein R, Feldman F: Computerized Corneal Topography: Pre- and Post-op Filtration Surgery, University of Toronto, Ophthalmic Research Day, Toronto, Ontario, April 1992.

Stein R: Excimer Laser in the Management of Myopia, Astigmatism & Corneal Disorders. Canadian Opticians Conference, Constellation Hotel, Toronto, Ontario, May 1, 1992.

Morrow G, Stein R, Heathcoate G, Feldman F, Douglas J: Comparison of Mitomycin and 5-Fluorouracil with respect to ocular toxicity - an animal model. American Research & Vision Organization, Sarasota, Florida, May 1992. (Abstracted)

Stein R: Corneal Complications of Contact Lenses, Alcon Regional Update, Sheraton Hotel, Toronto, Ontario, May 5, 1992.

Stein R: Phototherapeutic Keratectomy, Canadian External Disease and Cornea Society, Canadian Ophthalmologic Society, Vancouver, British Columbia, June 28, 1992.

Morrow G, Stein R, Heathcoate G, Feldman F, Douglas J: Comparison of Mitomycin and 5-Fluorouracil with respect to ocular toxicity - an animal model, Ocular Pharmacology Subspecialty Meeting of the Canadian Ophthalmologic Society, Vancouver, British Columbia, June 28, 1992.

Stein R: Phototherapeutic Keratectomy, Telemedicine Conference, University of Toronto, Toronto, January 22, 1993.

Stein R: 1. Ocular Trauma; 2. Phototherapeutic Keratectomy; Primary Eye Care, Ontario medical Association, Toronto, February 27, 1993.

Vu L, Stein H, Stein R: Pain Management in Photorefractive Keratectomy, University of Toronto, Ophthalmology Research Day, April 1993.

Wiser B, Stein R, Levin A: Computerized Corneal Topography in Down's Syndrome, University of Toronto, Ophthalmology Research Day, April 1993.

Stein R: New Developments in Ophthalmology, North York General Hospital, Family Medicine Day, Toronto, April 24, 1993.

Stein R: Phototherapeutic Keratectomy, Toronto Ophthalmologic Association, Toronto, June 9, 1993.

Stein R: Crescentic Lamellar Resection for Pellucid Marginal Degeneration, Canadian Cornea & External Disease Association, Montreal, June 27, 1993.

Stein R, Stein H, Cheskes A: Excimer Laser as an alternative to Penetrating Keratoplasty, Canadian Ophthalmologic Association, Montreal, June 28, 1993.

Wiser B, Stein R, Levin A: Computerized Corneal Topography in Down's Syndrome, Canadian Ophthalmologic Association, Montreal, June 29, 1993.

Stein R: Phototherapeutic Keratectomy, American Academy of Ophthalmology, Chicago, November 15, 1993.

Stein R: Update in the Management of External Eye Diseases, Telemedicine Canada, University of Toronto, November 23, 1993.

Stein R: 1. Topography of Irregular Astigmatism; 2. Phototherapeutic Keratectomy; 3. Correction of Myopia and Astigmatism, Seminar; CLAO, Las Vegas, January 12 - 15, 1994.

Stein R: Update in Ocular Emergencies, Lakeshore West Medical Building, Toronto, February 2, 1994.

Stein R: Herpes Zoster Ophthalmicus, Cornea and External Disease Conference, Lake Louise, Alberta, February 19, 1994.

Stein R: Ocular Emergencies - Part 1, 2. Ocular emergencies - Part 2; Primary Day in Eye Care, Toronto, February 26, 1994.

Stein R: The Use of Videokeratoscopy in Excimer Laser Surgery, International Anterior Segment Conference, Toronto, June 27, 1994.

Stein R: Photorefractive Keratectomy, International Ophthalmic Technician Program, Toronto, June 1994.

Stein R: Phototherapeutic Keratectomy, Joint Commission on Allied Health, San Francisco, October 31, 1994.

Stein R: Canadian Experience with the Excimer Laser 1. Clinical Work-up of Excimer Laser Patients; 2. Phototherapeutic Keratectomy; American Academy of Ophthalmology, San Francisco, November 1, 1994.

Stein R: PRK & PTK, Video Journal of Ophthalmology, St. Louis, July 5, 1994.

Stein R: Canadian Experience with PRK, Wills Eye Hospital, Philadelphia, Pennsylvania, December 10, 1994.

Stein R: Phototherapeutic Keratectomy, Joint Commission on Allied Health Personnel in Ophthalmology, San Francisco, California, October 31, 1994.

Stein R: Techniques of PRK and PTK, Contact Lens Association of Ophthalmologists, Las Vegas, January 15, 1994.

Stein R: Photorefractive Keratectomy and Phototherapeutic Keratectomy, Western University, London, Ontario, January 28, 1994.

Stein R: Cornea and Refractive Surgery, Centennial College, Ophthalmic Assistant Program, Toronto, February 9, 1994.

Stein R: Herpes Zoster, Update in Cornea & External Eye Disease, Lake Louise, Alberta, February 18, 1994.

Stein R: Update on PRK, Future Vision, Dallas, Texas, June 12, 1994.

Stein R: PRK & PTK, Mayo Ophthalmologic Update, Mayo Clinic, Rochester, Minnesota, June 18, 1994.

Stein R: Refractive Surgery Update, International Symposium for Ophthalmic Health Personnel, Toronto, Ontario, June 27, 1994.

Stein R: 1. Corneal Complications of Contact Lenses; 2. Corneal Topography & PRK; International Contact Lens Symposium, Toronto, Ontario, June 24, 1994.

Stein R: Update on PTK, American Academy of Ophthalmology, San Francisco, California, November 1, 1994.

Stein R: Phototherapeutic Keratectomy, Contact Lens Association of Ophthalmologists, Las Vegas, Nevada, January 14, 1995.

Stein R: 1. Computerized Videokeratography and PRK; 2. Prevention of PRK complications; 3. Phototherapeutic Keratectomy; 4. Pterygium Surgery and Mitomycin; Alcon Master Club Meeting, Sanibel, Florida, March 14 - 17, 1995.

Stein R: PRK Update, Arkansas Optometric Association, Little Rock, Arkansas, April 30, 1995.

Stein R: Prevention of PRK Complication, Ocular Surgery New Meeting, New York, New York, September 16, 1995.

Stein R: Phototherapeutic Keratectomy, Joint Commission on Allied Health Personnel, Atlanta, Oct 30, 1995.

Stein R: 1. Refractive Surgical Experience in Canada, 2. Update on PRK; American Academy of Ophthalmology, Atlanta, November 2, 1995.

Stein R: 1. Phototherapeutic Keratectomy; 2. Prevention of PRK Complications; 3. Computerized Videokeratography and PRK; Canadian Ophthalmologic Society Meeting, Victoria, British Columbia, June 1995.

Stein RM: Prevention of PRK Complications, Ocular Surgery News Meeting, New York, New York, September 17, 1995.

Stein RM: Refractive Surgery in Canada, American Academy of Ophthalmology, Atlanta, Georgia, October 29, 1995.

Stein RM: PRK in Canada (seminar) 1. Demographics; 2. Preop clinical workup; American Academy of Ophthalmology, Atlanta, Georgia, October 31, 1995.

Stein RM: Prevention of PRK complications, University of Houston, Houston, Texas, November 12, 1995.

Stein RM: Keratitis Sicca: Diagnosis and management, External Eye Disease Roundtable Meeting, Deerhurst Resort, Huntsville, Ontario, November 25, 1995.

Stein RM: 1. Basic principles of PRK; 2. Complications of PRK; CLAO Meeting, Las Vegas, Nevada, February 3, 1996.

Stein RM: New Developments in Refractive Surgery, Telemedicine Canada, Toronto, Ontario, February 7, 1996.

Stein RM: PRK techniques and complications, Shadow Ridge Eye Conference, Park City, Utah, February 23, 1996.

Stein RM: 1. Videokeratography course; 2. Prevention of PRK complications; 3. Phototherapeutic keratectomy; Masters Club Meeting, Scottsdale, Arizona, March 17 - 23, 1996.

Stein RM: Prevention of PRK complications, Florida Retina Institute Annual Meeting, Jacksonville, Florida, March 30, 1996.

Stein RM: PRK indications, contraindications, techniques and results, Ontario Optometric Association Annual Meeting, Toronto, Ontario, April 20, 1996.

Stein RM: PRK results and management of complications, Michigan Optometric Association Annual Meeting, Detroit, Michigan, May 1, 1996.

Stein RM: PRK past, present and future, Waterloo Vision Research Symposium, Waterloo, Ontario, June 7, 1996.

Stein RM: Demographics of PRK in Canada, American Society of Cataract and Refractive Surgery, Seattle, Washington, June 3, 1996.

Stein RM: Visx Star Results, Ocular Surgery News, New York, New York, September 6, 1996.

Stein RM: Phototherapeutic Keratectomy, Walter Wright Day, University of Toronto, November 22, 1996.

Stein RM: 1. PRK for myopia; 2. Prevention of PRK complications; CLAO, Las Vegas, January 16 - 18, 1997.

Stein RM: 1. Visx Star Results; 2. Central Island versus Divot, Hawaii 1997, Maui, January 24, 1997.

Stein RM: Surgical Pearls to enhance PRK Results, Ocular Surgery News Meeting, New York, N.Y., September 1997.

Stein RM: Astigmatism Results with Visx Star, American Academy of Ophthalmology, Annual Meeting, San Francisco, California, October 1997.

Stein RM: 1. Surgical Pearls to enhance PRK Results; 2. Epithelial Removal Techniques in PRK; 3. Astigmatism Results with Visx Star; Royal Hawaiian Meeting, Maui, January 1998.

Stein RM: 1. PRK versus LASIK; Complications and Management of PRK; CLAO, Las Vegas, Nevada, January 1998.

Stein RM: Surgical Techniques of PRK, American College of Eye Surgeons, Orlando, Florida, February 1998.

Stein RM: 1. Surgical Pearls to enhance Myopic Overcorrection; 2. Surgical Techniques to enhance PRK Results; ASCRS, San Diego, California, April 1998.

Stein RM: European Society of Cataract and Refractive Surgery, Annual Meeting, Vienna, Austria, September 8, 1999 – Evaluation of Three Different Methods of Treatment of Mixed Astigmatism.

Stein RM: Ocular Surgery News Annual Meeting, New York, New York, October 3, 1999 – LASIK for Mixed Astigmatism.

Stein RM: Refractive Surgery Subspecialty Day, American Academy of Ophthalmology, Orlando, Florida, October 23, 1999 – Intracorneal Rings for Residual Myopia Following Laser Vision Correction.

Stein RM: American Academy of Ophthalmology, Annual Meeting, Orlando, Florida, October 27, 1999 – Hyperopic PRK versus Hyperopic LASIK.

Stein RM: Walter Wright Annual Meeting, University of Toronto, Toronto, Ontario, December 3, 1999 – Update on Dry Eye Syndrome.

Stein RM: Hawaii 2000, Maui, Hawaii, January 21, 2000 – 1. Update on Phototherapeutic Keratectomy; 2. LASIK for Mixed Astigmatism; 3. Hyperopic LASIK.

Stein RM: Master Club Annual Meeting, San Antonio, Texas, March 15, 2000 – Laser Vision Correction for Mixed Astigmatism.

Stein RM: Canadian Society of Cataract and Refractive Surgery, Annual Meeting, April 15, 2000 – 1. Hyperopic PRK versus LASIK; 2. Update on Microkeratomes; 3. Mixed Astigmatism.

Stein RM: Virginia Academy of Ophthalmology, Annual Meeting, Hot Springs, Virginia, May 13, 2000 – Laser Vision Correction Techniques.

Stein RM: American Society for Cataract and Refractive Surgery, Annual Meeting, Boston, MA, May 23, 2000 – Clinical Pearls in Treatment of Mixed Astigmatism (Awarded Best Paper of Session).

Stein RM: Ocular Surgery News, Annual Meeting, New York, N.Y., Sept 2000 – Clinical Pearls in LASIK for Mixed Astigmatism.

Stein RM: American Academy of Ophthalmology, Refractive Surgery Subspecialty Day, Dallas, Texas, October 2000 – Surgical Pearls of LASIK for Mixed Astigmatism.

Stein RM: Hawaii 2001, Kauai, Hawaii, January 2001 - Mixed Astigmatism Treatment with the VISX Star.

Stein RM: Frontiers Meeting in Ophthalmology, Scottsdale, Arizona, March 8, 2001 – 1. Mixed Astigmatism Treatment; 2. LASIK Techniques; 3. LASEK vs LASIK.

Stein RM: Master Club Meeting, Tuscon, Arizona, March 16, 2001 – LASEK versus LASIK.

Stein RM: American Society for Cataract and Refractive Surgery, San Diego, California, April 2001 – 1. Cross-cylinder for Mixed Astigmatism; 2. Dry Eyes and LASIK.

Stein RM: Canadian Implant and Refractive Surgery Society, Montreal, Quebec, June 15, 2001 – 1. Overview of Mixed Astigmatism; 2. LASEK vs LASIK.

Stein RM: International Impact Meeting, Sydney, Australia, June 22, 2001 – Wavefront Analysis in Refractive Surgery.

Stein RM: Toronto Chinese Medical Society, Toronto, July 12, 2001 – Management of Ocular Emergencies.

Stein RM: International Society of Refractive Surgery, New Orleans, Louisiana, November 10, 2001 – 1. Cross-cylinder in Mixed Astigmatism; 2. SurgiLight Laser in Presbyopia.

Stein RM: Academy of Ophthalmic Education, Toronto, November 4, 2001 – Overview of Refractive Surgery.

Stein RM: American Academy of Ophthalmology, Subspecialty Day in Refractive Surgery, New Orleans, Louisiana, November 9, 2001 – Prevention of Corneal Striae in LASIK.

Stein RM: University of Toronto, Walter Wright Day, December 8, 2001 – 1. Clear Lensectomy in Hyperopia; 2. LASEK: A New Refractive Procedure.

Stein RM: Invited lecture, American Academy of Ophthalmology, Refractive Surgery Subspecialty Day, New Orleans, November 10, 2001– Surgical Techniques in Prevention of Striae;

Stein RM: International Society of Cataract & Refractive Surgery, New Orleans November 10, 2001 – Bitoric Ablation for Mixed Astigmatism

Stein RM: Academy of Ophthalmic Education, Toronto, November, 2001 – Patient Selection in Refractive Surgery.

Stein RM: University of Toronto, Walter Wright Day, Toronto, December, 2001 – 1. LASEK versus LASIK; 2. Clear Lensectomy.

Stein RM: Canadian Society of Cataract and Refractive Surgery, Toronto, April, 2002 – 1. Personality Screening in Refractive Surgery; 2. Clear Lensectomy in Hyperopia; 3. Bitoric Ablation for Mixed Astigmatism

Stein, RM: Invited Lecture, Rochester Ophthalmology Society, Rochester, New York, May 17, 2002 – 1. LASEK versus LASIK; 2. Patient Selection in Refractive Surgery; 3. Personality Screening in Refractive Surgery.

.Stein RM: Invited lecture, Hawaii 2002, Hawaii (Big Island), Hawaii, January 25, 2002 – LASIK versus LASEK

Stein RM: Master Club Meeting, Miami, Florida, March 11, 2002 –1. LASEK vs LASIK; 2. Epithelial Ingrowth post-LASIK.

Stein RM: American Society for Cataract and Refractive Surgery, Philadelphia, PA, June 1-4, 2002 – 1. Bitoric Ablation for Mixed Astigmatism ; 2. Dual-Flex Accommodative IOL Technique

Stein RM: Invited lecture, Florida Ophthalmology Society, Bascom Palmer Institute, Miami, Florida, June 21-22, 2002 –1. LASIK versus LASEK; 2. Bitoric Ablation for Mixed Astigmatism ; 3. Patient Selection in Refractive Surgery

Stein RM: Ocular Surgery News Meeting, New York, New York Sept 21, 2002 – Dual-Flex Accommodative IOL

Stein RM: Academy of Ophthalmic Education, Toronto, Ontario October 6, 2002 – Innovations in Refractive Surgery

Stein RM: American Academy of Ophthalmology, Refractive Surgery Subspecialty Day, Orlando, Florida, October 18, 2002 - Moria Microkeratome

Stein RM: International Society of Refractive Surgery, Orlando, Florida, October 19, 2002 – Dual-FlexAccommodative IOL

Stein RM: University of Toronto, Walter Wright Day, Toronto, Ontario, December 6, 2002 – Surgical Correction of High Myopia & Hyperopia

Stein RM: Hawaii 2003, Maui, Hawaii, January 21-24, 2003 – 1. Dual-flex accommodative IOL; 2. Personality Screening in Refractive Surgery; 3. Prevention & Management of Striae

Stein RM: Academy of Ophthalmic Education, Caribbean Cruise, February 8-15, 2003 – 1. Overview of Cataract Surgery; 2. Innovations in Refractive Surgery

Stein RM: Primary Day in Eyecare, Toronto, Ontario, March 1, 2003 – Advances in Laser Vision Correction

Stein RM: American Society of Cataract & Refractive Surgery, San Francisco, California, April 11-14, 2003 – Allegretto Wave: The next generation in laser technology

Stein R: Toronto Ophthalmological Society, Toronto, Ontario, October 22, 2003. - Advances in Laser Vision Correction

Stein R: American Academy of Ophthalmology, Orlando, Florida, Oct 14-17, 2003 – 1. Refractive Lens Exchange for Hyperopia; 2. Allegretto Wavefront-Optimized Ablation.

Stein R: Walter Wright Meeting, Toronto, Ontario, December 6, 2003 – Refractive Surgery in the Presbyope

Stein R: Hawaii 2004, Kauia, Hawaii, January 27-30, 2004 – 1. Allegretto Wavefront-Optimized Ablations; 2. Incorporating Phakic IOLs into Clinical Practice; 3. Complications from LASIK Recuts.

Stein R: University of Toronto, Family Practice Program, February 28, 2004 – Advances in Laser Vision Correction

Stein R: Academy of Ophthalmic Education, Toronto, Ontario, March 7, 2004 – Mysteries and Issues in Refractive Surgery.

Stein R: American Society for Cataract and Refractive Surgery, April 29-May 4 – Allegretto Wave (wavefront-optimized) vs VISX Star (wavefront-guided).

Stein R: Canadian Society of Cataract and Refractive Surgery, Toronto, Ontario, May 29, 2004 – 1. Allegretto Wave vs VISX Star; 2, Restor Implant: Early Clinical Experience.

Stein R: Early Clinical Experience with the Restor Implant, Ontario Master Club Meeting, Collingwood, Ontario, July 17, 2004

Stein R: Allegretto Wave vs VISX S4, European Society of Cataract & Refractive Surgery, Paris, France, Sept 22, 2004

Stein R: Surface Ablation after LASIK, Refractive Surgery Subspecialty Day Meeting, American Academy of Ophthalmology, New Orleans, Louisiana, Oct 23, 2004

Stein R: Surface Ablation with the Allegretto Wave, Wavelight Users Meeting, Scottsdale, Arizona, November 13, 2004

- Stein R: ESCRS, Paris, France, September 20, 2004, Surface Ablation after LASIK with Allegretto Wave
- Stein R: AAO, New Orleans, Louisiana, October 23, 2004, Surface Ablation Techniques with Allegretto Wave
- Stein R: Alcon Regional Symposium, Toronto, Ontario, November 25, 2004, Ocular Emergencies
- Stein R: Toronto Cataract Course, Toronto, Ontario, Feb 19, 2005, Clear Lens Exchange for High Myopia
- Stein R: ASCRS, Washington DC, April 16-18, 2005, 1. Advantages of High Speed Laser Ablations; 2. Surface Ablation Techniques
- Stein R: Allegretto Users Meeting, Cologne, Germany, June 4, 2005, Surface Ablation Outcomes with Allegretto Wave
- Stein R: Mediterranean Vision Cruise, Academy of Ophthalmic Education, August 20-27, 2005, 1. Advances in Cataract Surgery; 2. Update in Refractive Surgery
- Stein R: ESCRS, Lisbon, Portugal, September 11, 2005, Surface Ablation after LASIK with Allegretto Wave
- Stein R: ESCRS, Lisbon, Portugal, September 14, 2005, Epi-LASIK with Moria Keratome
- Stein R: AAO, Chicago, Illinois, October 14, 2005, Surface Ablation Techniques with Allegretto Wave
- Stein R: AAO, Chicago, Illinois, October 17, 2005, Epi-LASIK with Moria Keratome
- Stein R: Academy of Ophthalmic Education, Toronto, Ontario, October 30, 2006, Innovations in Cataract Surgery
- Stein R: Montreal Vision Conference, November 12, 2006, Advances in Refractive Surgery
- Stein R: Walter Wright Conference, University of Toronto, Toronto, Ontario, December 3, 2005, Treatment of Superficial Corneal Opacities
- Stein R: CSCRS, Montreal, Quebec, April 22, 2006, Keratome Assisted Advanced Surface Ablation – A New Technique
- Stein R: CSCRS, Montreal, Quebec, April 23, 2006, Incorporating Multifocal IOLs into Clinical Practice
- Stein R: COS, Toronto, Ontario June 24, 2006, Clinical Pearls to Patient Selection with Multifocal IOLs.
- Stein R: Vision Institute Annual Meeting, Toronto, Ontario, November 10, 2006 -*Recent Advances in Cataract Surgery*
- Stein R; American Academy of Ophthalmology, Las Vegas, Nevada, November 13, 2006 -*Clinical Pearls with the Allegretto Wave*

Stein R: Walter Wright Annual Meeting, University of Toronto, Toronto, Ontario, December 9, 2006 - *Cornea in Systemic Disease*

Stein R: Academy of Ophthalmic Education, Toronto, Ontario, April 15, 2007, *Cornea in Systemic Disease*

Stein R: American Society of Cataract and Refractive Surgery, April 29, 2007, San Diego, California - 1. *Intralase: Fact or Fiction*; 2. *PRK with the Allegretto*

Stein R: Academy of Ophthalmic Education, Toronto, Ontario, October 20, 2007 – *Top Ten Advances in Refractive Surgery*

Stein R: American Academy of Ophthalmology, New Orleans, Louisiana, November 17, 2007 – *PRK after LASIK*

R Stein: Toronto Cataract Course, University of Toronto, Toronto, Ontario, February 16, 2008- *Accommodating Versus Multifocal IOLs*

R Stein:, Academy of Ophthalmic Education, Toronto, Ontario, June 22, 2008 - *Advances in Keratoconus Management*

R Stein:, The Future of Ophthalmology, Taboo Resort, Ontario, July 6, 2008 - *Corneal Collagen Crosslinking in Keratoconus*

R Stein:, Montreal Eye Clinic Symposium, Montreal, Oct 4, 2008 – 1. *Corneal Collagen Crosslinking*; 2. *Intacs for Keratoconus*; 3. *Patient Selection for Refractive Cataract Surgery*

R Stein:, Academy of Ophthalmic Education, Toronto, Ontario, Oct 19, 2008- *Advances in Surgical Management of Keratoconus*

R Stein: Walter Wright Conference, University of Toronto, Toronto, Ontario, December 5, 2008 - *Surgical Management of Keratoconus*

Invited Presentations to other Hospitals/Universities

Stein R: Corneal Infiltrates in Contact Lenses, Wills Eye Cornea and External Disease Conference, Philadelphia, Pennsylvania, November 1988. (Published)

Stein R: Lifesaving Ocular Signs, Hamilton Academy of Medicine, Section of Ophthalmology, Hamilton, October 1990. (Published)

Stein R: Corneal Complications of Contact Lenses, New York Eye and Ear Infirmary, New York, New York, December 1989. (Published)

Stein R: Ocular Emergencies, Teleconference, University of British Columbia, April 1991.

Stein R: 1/ Atopic diseases of the External Eye; 2/ Mitomycin C and Pterygium Surgery. New York Eye Infirmary, New York, New York, December 1991.

Stein R: Phototherapeutic Keratectomy, Wills Eye Hospital, Cornea and External Disease Conference, Philadelphia, Pennsylvania, December 1992.

Stein R: 1. Phototherapeutic Keratectomy; 2. Photorefractive Keratectomy; 3. Canadian Health Care System; Washington University Hospital, Washington DC, March 26 - 27, 1993.

Stein R: 1. Practice Survival Under Government Control: The Canadian Experience; 2. Photorefractive Keratectomy; 3. Phototherapeutic Keratectomy; Corneal and Refractive Surgery Conference, New York Eye Infirmary, New York, Dec 3 - 4, 1993.

Stein R: PRK Techniques and Results, Louisville Ophthalmologic Society, Louisville, Kentucky, May 1998.

Stein RM: Recognition and Management of LASIK Complications, University of Ottawa, January 5, 2000.

Stein RM: Long Island Jewish Hospital Annual Clinical Update, Long Island, New York, April 12, 2000 – 1. Prevention of LASIK Complications; 2. Update on Microkeratomes.

Stein RM: Guest speaker for grand rounds, Wills Eye Hospital, Philadelphia, PA, Dec 2000 – Refractive Surgery.

Stein RM: Washington University Hospital, Washington D.C., November 17, 2001 – 1. LASEK vs LASIK; 2. Personality Screening in Refractive Surgery; 3. Mixed Astigmatism using Cross-cylinder

Stein R: Dallas Ophthalmological Society, Dallas, Texas, March 18, 2004 – Personality Screening in Refractive Surgery

Stein RM: Washington Eye Hospital, Washington, DC, April 12, 2008 – 1. *Corneal Collagen Crosslinking*; 2. *Accommodating Implants*; 3. *Advances in Laser Vision Correction*

Named Lectures

Dr. Jack Crawford Oculoplastic Lecture: Inflammatory diseases of the lids and conjunctiva, Mount Sinai Hospital, Toronto, November 8, 1990. (An annual one hour lecture established in 1987 at Mount Sinai Hospital to honour Dr. Crawford.)

Canadian Implant and Refractive Surgery Society, Annual Meeting, Montreal, Quebec, June 3, 2000 – First Annual Harold Stein Lecture: Personality Traits in Refractive Surgery, The Good, The Bad, and The Ugly

Harold Stein Lecture, Joint Commission in Allied Health in Ophthalmology, Orlando, Florida, Oct 2002.

Lindstrom Lecture, CLAO, Orlando, Florida, January 25, 2003 – Patient Selection in Refractive Surgery

Stein R: Contact Lens Association of Ophthalmologists, Las Vegas, Nevada, October 6, 2007 – *Harold Stein Lecture: Top Ten Advances in Refractive Surgery*
